Certificate of Approval

This is to certify that the Management System of:

Yazaki Component Technology

Zona Industriala Vest, Strada III nr. 4-4A, RO-310491 Arad, Romania

has been approved by LRQA to the following standards:

IATF 16949:2016

David Derrick
Issued by: Lloyd's Register Quality Assurance Ltd

This certificate is valid only in association with the certificate schedule bearing the same number on which the locations applicable to this approval are listed.

Certification Date: 19 January 2018
Certificate Expiry Date: 18 January 2021
Certificate Identity Number: 10051626
IATF Certificate Number: 0286266

Approval Numbers: IATF16949:2016 – 0006934-014

The scope of this approval is applicable to:

Design and manufacture of injection moulded components and electronic modules (typically, instrument clusters, junction blocks, switches, sensors and connectors).

Lloyd's Register Group Limited, its subsidiaries and affiliates, including Lloyd's Register Quality Assurance Limited (LRQA), and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
