YAZAKI

Yazaki People

“Customer satisfaction is our highest priority.”

Dr. Horst Rudolph, President & CEO of Yazaki Europe Ltd.

“Our technology brings efficiency and value to automotive vehicles, by leading in significant, ground breaking innovation.”

Herbert Rixen, Head of R&D Engineering

“Individual success in our company is a result of accepting challenges and assuming responsibilities at all levels. Not only what we do is important but also how we do it makes the difference.”

Andreas Jansen, Head of Central HR

“Work in a safe environment, with quality focus and always with high motivation, to enhance Customer trust.”

Alexandra Lacerda, Head of Central Quality
